WHAT DO OUR EMPLOYERS SAY?

"Apprenticeships offer that consistency in learning and working, and give employers the opportunity to mould, shape and teach the craft to new talent."

Tara Simpson
Managing Director, Instil

"It is wonderful to see how young people flourish and thrive through hands-on experience, mentoring, real-time learning and continued education."

Maria Bradley
HR Director, Gilbert-Ash

"At Farrans we want to attract the best people and apprenticeships do this in a really fantastic way."

Joanne Lennox
Head of People & Engagement, Farrans

Neal Kerr
Director, McAdam Design

APPRENTICESHIPS AFTER THE PANDEMIC

"As we emerge from the pandemic, and accelerate into a more digitally-enabled economy, the core and essential skills that are developed by apprentices from the outset (empathy, team-working, communication) will give them a huge advantage over their graduate counterparts."

Richard Kirk
CEO of Workplus

The easier way to find an apprenticeship

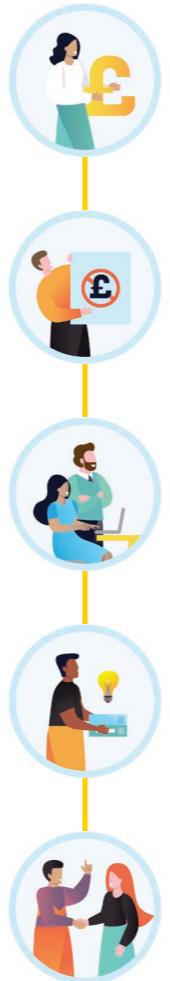

THE EASIER WAY TO FIND YOUR PERFECT APPRENTICESHIP

A Workplus apprenticeship fast tracks you into a career where you can learn as you earn. Full-time study isn't the best route for many. Learning on the job gives you an edge, a purpose and a part to play in a rapidly changing world. While others are pondering their next move, you are getting on with it – new skills, new experiences, new networks, new friends and a sense of independence that gets you where you want to be. **This is your future.**

BENEFITS

Salary

You'll be paid by your employer, even for the days that you're at college or university.

No Fees

You won't pay a penny to college or university! That's all taken care of, so you can focus on becoming an awesome apprentice.

Mentoring

You'll be guided through by a mentor who will be dedicated to helping you flourish.

Learning

You'll receive top class learning on-the-job with your employer and off-the-job training with your college or university.

Networking

You'll have a better time than a full-time student as part of the Workplus professional and social network.

WHAT DO OUR APPRENTICES SAY?

"I feel I have an advantage over those who go to university and pay fees, as I have a job and I'm so happy with what I do. I don't feel worried about money which is usually a huge stressor for many university students."

Gina Lonergan
Liberty IT

"For me, a real highlight is learning on the job. It's so much better than sitting in the classroom."

David Reid
Charles Brand

"I was attracted by no fees, a job from the start and the experience"

Jane McMonagle
Atkins
